

The After School Enrichment Program needs your help!

During the month of January, the PTO will once again be offering an After School Enrichment Program to enhance the educational experience of our students. This program will provide a unique learning experience that extends beyond the classroom curriculum. The After School Enrichment program is going to be very exciting this year! Once again, we have a lot of great businesses coming in to teach but we would like to see more parent taught classes this year!

Some of the classes we have held in the past included a 4 week Tae Kwon-do class, acting class, music class, dance classes, Airplane model building, sewing, etc but we are in need of parent volunteers. If you would like to teach but are unable to think of an idea, please let us know and we provide you with some ideas.

Since many of the classes will fill up quickly, if you sign up to teach even a one day class, you will receive priority registration for your child to sign up for a class of their choice. In addition, your child will receive a free class!

The program will run during the month of January, so please select the preferred days you would like to volunteer from 3:30 to 4:30 below and we will do the best to accommodate your first choice. Your class can be a one day class or can span over two to four weeks. The possibilities are endless!

Priority registration for students will begin the last week of November so send this sign up sheet in as soon as possible to ensure that your child will be part of the priority registration!

PTO Enrichment Program Class Sign Up Form

Program Description:

Appropriate Age Group (circle all that apply): K 1 2 3 4 5

Maximum number of participants _____ Preferred meeting day (please rank)
_____M _____T _____W _____Th

Meeting Frequency: ___Once ___Two Weeks ___Three Weeks ___Four Weeks

Materials, equipment or other costs needed? _____
